## Sometimes you need more...

Kennedy Carpet Sales & Cleaners is New England's leader in carpet care and maintenance. At Kennedy's we recognize that our customers might require services beyond those we specialize in. In recognition of this need Kennedy's has begun a corporate referral program with our locally managed Merry Maids® office in Norwell MA.

The goal of this referral program is to allow our customers to get a complete offering of services and have access to special discount coupons. Merry Maids® is a full service cleaning company that specializes in cleaning & dusting all surfaces including appliances, counters, bathrooms, pictures frames and more. In addition Merry Maids® also help with your weekly carpet maintenance

by regular thorough vacuuming. These services make Merry Maids® a great complement to the cleaning that Kennedy's provides.

Relax. It's Done.®

Kennedy's will continue to offer professional Carpet Cleaning by IICRC certified technicians. In addition Kennedy's offers cleaning of Tile & Grout, Leather, Upholstery and Drapes.

The main benefit of using both

services is a weekly or bi-weekly maintenance program with Merry Maids® used in combination with an annual or semi-annual cleaning by Kennedy's that will help keep your biggest investment, your home, looking clean for a long time to come.

Both Kennedy Carpet Sales & Cleaners and Merry Maids® are and will continue to be locally managed and operated companies. Our hope is that our recommendation for additional services helps solve a need.

Please see page 2 for a Merry Maids® coupon that has been made available to Kennedy Carpet Sales & Cleaners customers.
